

CREMER OLEO

RESOURCES FOR A SUSTAINABLE AND EVOLVING LIFE

CREMER OLEO is your global partner for sustainable ingredients for cosmetics, food, pharmaceuticals, home care, animal feed and many technical applications. With offices in Europe, North and South America and Asia, we have a global network and can supply many products at short notice – in a wide range of qualities, based on a variety of mostly plant-based raw materials and with extensive certifications.

Please do not hesitate to contact us - whether you need just a few litres of the required product, a full tank truck or a complete supply chain solution for your production. Our sales team looks forward to hearing from you!
