

CREMER OLEO

PORTFOLIO

CREMER OLEO is your **global ingredients partner** for cosmetics, food, pharmaceuticals, home care, animal nutrition, and technical applications. With offices in **Europe, North and South America and Asia**, we have a global network and can offer many products with **short lead times**, depending on the product, location, and availability. These products are available in a **wide range of qualities**, based on a variety of mostly plant-based raw materials, and with product-specific certifications available.

Whether you need just a few liters of your desired product, a full tank truck, or a complete supply chain solution – **our sales team looks forward to hearing from you!**
