

CREMER OLEO

RESOURCES FOR A SUSTAINABLE AND EVOLVING LIFE

CREMER OLEO is your **global partner for sustainable ingredients** for cosmetics, food, pharmaceuticals, home care, animal feed and many technical applications. With offices in **Europe, North and South America and Asia**, we have a global network and can supply many products at short notice – in a **wide range of qualities**, based on a variety of mostly plant-based raw materials and with extensive certifications.

Please do not hesitate to contact us - whether you need just a few litres of the required product, a full tank truck or a complete supply chain solution for your production. Our sales team looks forward to hearing from you!

» PRODUCTS
